orange

Orange fruit, a juicy delight!

Its peel so thin, a gentle touch,
Inside it hides a flavor much!

Sweet and tangy, sunshine bold,
A taste of summer, story told.

(Ollama)Write an poem on

door

The door swings wide, a creaky sound,
To the world beyond, safe and found.
Colors dance, like sunshine bright,
Shining through, a cheerful light!

A big red knob, easy to hold,
Whispering secrets, stories told.
Out there waits, adventure's gleam,
Laughing friends, playing in a dream.

Sunshine bright, petals soft,
A happy bloom, a tiny loft!
Flowers grow tall and strong and green,
Blooming flowers, a joyful scene!

Red like berries, yellow bright,
Purple like grapes, a pretty sight.
Tiny bees buzz with wings so light,
Gathering nectar sweet in the day's delight.
